

Storm 3 - Sept. 28-29

Norfolk
Gales began from the NE on the night of the 28th, and then became SE in the AM before shifting to the W as the storm moved inland. The tide rose very high. The ship "Charming Mary" sank in the storm. (Roth and Cobb)

30 0 30 60 Miles

A scale bar with four segments, labeled 30, 0, 30, and 60 Miles.
