## Solution Concepts/Data Sets I Created:

- *The Strongly Stable Core*. For greater detail, see HeeMin Kim.1995. "The Strongly Stable Core in Weighted Voting Games." *Public Choice* 84:77-90.
- *The Kim-Fording Measure of Party Ideology*
- *The Kim-Fording Measure of Voter Ideology*
- *The Kim-Fording Measure of Parliament Ideology I (A Weighted-Mean Version)*.
- *The Kim-Fording Measure of Parliament Ideology II (A Median Version)*.
- *The Kim-Fording Measure of Government Ideology*.
- *The Kim-Fording Measure of Democratic Performance*

See various publications below for details. All of these measures are available for 25 Western Democracies, 1945-2002. They are available for public consumption at <http://heeminkim.net>. The Kim-Fording Measures of Parliament Ideology, Government Ideology, and Democratic Performance are based upon work supported by the National Science Foundation under Grant No. SES-0237820. Any opinions, findings and conclusions or recommendations expressed in this material are those of the author(s) and do not necessarily reflect the views of the NSF.

## Publications:
